

# Finally! The details about the inaugural *Special Edition* Council Shoulder Patch for the Spirit of Adventure Council!

Because the focus of the new council is “helping Scouting thrive in your community” our unofficial council patch can reflect that mission. It’s also a pretty cool throw back to the old school town and state patches, and the final and best reason to buy these limited time patches .... A Scout is friendly and Scouting teaches citizenship. It’s a great opportunity for Scouts to recognize that Scouting has no boundaries; a Scout at camp can meet new friends and learn instantly about their community.

For a limited time only, this CSP will be available to order with your unit’s local town name placed at the bottom of the CSP. Coordinate your order with your Unit leader and / or other units in your city / town.
