

### **Adult Pathway “BALOO” and Cub Scout Adventures**

This pathway takes about 6 hours to complete (depending on the size and attention of your group). The activities are fun and engaging for kids and adults. During your training today, you will not only accomplish your training, but you will also acquire riveting tales. Your Cub Scout partner will accomplish these activities lean toward cooking activities, and provide opportunity to unleash a child’s awareness of nutrition. Great for a group of 4 – 8 people.
