School Vacation Camp:

STEM Camp during April Vacation (16th-20th) is gearing up! A great week-long day camp for scouts to do while not in school that keeps them active. Sign up your scout for a STEM Pathway that includes certifications, field trips, hands-on projects and working on merit badges: *Robotics, Energy & Electricity, Engineering, Architecture & Design, Arts & Animation*

More info and registration at NewEnglandCamp.org

Climbing and COPE Instructor Training:

Overnight Training for BSA Climbing/COPE Level 1 through Level 2. The goal of this BSA Climbing /COPE Instructors Course is to ensure that you can safely manage or staff COPE and Climbing programs for your camp, district or unit. It will help you to solidify your climbing knowledge and skills. We will cover current policies and standards of the Boy Scout climbing program. And IT'S FUN! This course is intended for anyone that is 15 and up and interested in safely teaching the basics of climbing. While there is an advantage to having a climbing background one is NOT required. 2 weekends, April 13-15 and June 1-3.

More info and register at ScoutSpirit.org/Find-Training

Equip Yourself with Skills to Make Your Spring Programs Great:

Experience Scout training outside a classroom setting. Prepare activities and acquire skills where Scout trainings are meant to take place...in the outdoors!

The New England Base Camp Outdoor Conference is for those trying to make their unit's outdoor experience more interesting and challenging. Courses are hands on and interactive with experts on hand to help you build on your unit's plan. You will leave having gained skills and ideas on how to take the well-grounded next step to enhance your program. Sixteen program areas and four courses in each. Join in the fun and training on April 29th at New England Base Camp in Milton.
