### **School Vacation Camps:**

What are the kids' plans for the next school vacation?

Winter Camp during February Vacation and STEM Camp during April Vacation are OPEN for registrations now! Two great week-long day camps at Base Camp in Milton for kids to do while not in school that keeps them active. Sign up your scout for Cub-age activities including rank-specific adventures.

If you sign up for both Winter Camp and STEM Camp before the end of Winter Camp, you'll get a free Base Camp hoodie!

20% off with the Adventure Card. More info and registration at [ScoutSpirit.org/Base-Camp-Programs](http://ScoutSpirit.org/Base-Camp-Programs)

### **Museum of Science Overnights:**

Looking for an exciting indoor activity in the winter?

Several weekends in the winter and spring are set aside for Scouts to explore and spend a night in the Museum of Science in Boston. Overnight at the Museum of Science, campers have an opportunity to sleep on the floors of the Museum Exhibit Halls and participate in activities after the Museum closes.

A typical Overnight stay includes a variety of hands-on science activities, demonstrations, a Planetarium show, and Omni film, and time to explore the Museum with chaperones. Arrival and Registration is between 5 and 6:30pm. Overnight officially ends at 11am the next day.
