

Outdoor Ethics

treadlightly![®]
ON LAND AND WATER

What do Leave No Trace, Tread Lightly, The Land Ethic and The Outdoor Code have in common?

They are the four pillars of Outdoor Ethics.

Why do I need to know this and what they are all about?

Outdoor Ethics has become an integral part of Scouts BSA and the program.

- in rank Advancement – Tenderfoot, Second Class, First Class and Life;
- in leadership training – Outdoor Ethics Guide, NAYLE & NYLT;
- in merit badges you earn – think Camping, Fishing, Hiking and more;
- in Awards you can complete – OE Awareness Award, World Conservation Badge, OE Action Award and The Hornaday Badges and Medals

If I can help bring **Outdoor Ethics** to your Unit program, please contact me. I am happy to work with you and your PLC to provide advice and training, as well as giving Awareness & Orientation courses for your Pack, Troop or Crew
