WHO: Jewish Cub Scouts, ScoutsBSA **Boys & Girls**, and Venturers, gather, via ZOOM this year, from across the U.S., Israel, Australia, and Germany.

In past years, Scouts have come from Maine to Florida – ME, MA, RI, CT, NY, NJ, PA, DE, MD, VA, NC, GA, FL – and MI, TX, Ontario & Québec, representing over 40 Scout Councils. Via ZOOM, this year, you can be involved from anywhere in the world — without even traveling!

CUB SCOUTS: Lions to Webelos join for special Cub Scout activities. Share the fun with **BSA Pack 613 in Tzefat, Israel**, who will join us on Dec. 27!

★ WHAT: 34th Annual Traditional Jewish Scout Conclave

A gathering for Scouting advancement, fun, and fellowship, while living and learning in a traditional Jewish environment. The Conclave is hosted by Boys & Girls Troops 54 chartered to the Maimonides School in Brookline, MA. Boys' Troop Scoutmaster Dr. Spielman has run this program since its inception 34 years ago, with amazing support from Scout parents and other adults. For the past 20 years, Rabbi Avraham A. Witty from Boston, and now Toronto, Canada, has offered rabbinic guidance.

★ WHEN: 8:45 AM Sunday, December 27, 2020 to 9:15 PM Tuesday, December 29, 2020.

Three days following a special schedule. See pages 3–6, below.

WHERE: Usually held at a Scout Camp, or the Maimonides School, this year we're on ZOOM!

This year, log-in from the comfort of your own home!

How: Sleep at home this year. Sorry, no Winter Camping, skiing, or snowshoeing like last year; maybe in 2021! (Yes, the Coronavirus has had its impact.)

For 34 years, this Conclave has offered Scouts an opportunity to camp together in a traditional Jewish environment. "A Scout is Reverent" states the 12th Point of the Scout Law. We thus pause from our activities for Grace before and after meals and for thrice-daily services (*Shacharit, Minchah, and Maariv*). While individual youth and adults may have many different personal perspectives on prayer, as a community our Conclave has gathered as one. If *Shabbat* comes during the Conclave, of course, we observe *Shabbat*.

This year our participants will *daven* (pray) at home, eat all meals at home, and the Conclave begins after *Shabbat*. Still, we will have a *D'var Torah* each morning after Flag Raising, and *Limudei Kodesh* opportunities each evening.

TRANSPORTATION: In past years, some Scouts drove over 2,000 miles to come to this Conclave! Others took an airplane and were met at the airport by Troop 54 adults. This year, via Zoom, you can be teleported right into the Conclave from the comfort of your own home!

WHY: For Scout Advancement, work towards religious awards, and great fellowship.

Cub Scouts (Boys & Girls) have activities centered around three events this year:

- Livestream demonstration by Troop 54 Eagle Scouts who work at the Israel Dog Unit, showing the training, handling, and skills of their search and rescue dogs, and their aerial drone with its night vision and searchlight. (This will also involve Cub Scouts from BSA Pack 613 in Tzefat, Israel !!!)
 - Sunday, Dec. 27. 12:15–1:15 PM (U.S. Eastern Time)
- Livestream nature hike with a Troop 54 Eagle Scout in the Australian bush.
 Monday, Dec. 28. 5:30–6:30 PM (U.S. Eastern Time)
- 3. Livestream visit from 'Timmy Tenderfoot' (really a Troop 54 Eagle Scout!) portraying a young Scout getting ready for his first camping trip.
 - Tuesday, Dec. 29. 7:00–8:00 PM (U.S. Eastern Time)

Note: Cub Scout registrants in the Conclave will be notified of additional activities to be announced.

ScoutsBSA (Boys & Girls) work on Advancement to First Class and 34 different Merit Badges, with 10 on the Eagle-required list.

(Some may be earned completely, others demand a Scout come with skills or work done. Scouts can earn at least a 'Partial' to complete at home.) Begin work on the **Ner Tamid**, or be tested for a **BSA Interpreter Strip** in any of **11 different languages**. See the complete listing on pages 3–5, and the schedule on page 6.

*** REGISTRATION:** Space is limited in some activities. EARLY registration assures you get first choice! Activities fill on a 'First-Come, First Served' basis.

Scouting Magazine: Show others you speak their language with a special patch for your uniform https://scoutingmagazine.org/2018/12/show-others-you-speak-their-language-with-interpreter-strips/

[Note: One point in that article has been updated. It is fine to wear multiple Interpreter Strips, if one has earned them.]

Special Comments/Prerequisites for some Merit Badges, listed alphabetically:

Citizenship in the Nation:

- Have a copy of the merit badge pamphlet (digital or hard copy):
 See: https://www.troop109nj.com/app/download/5843724/Citizenship+in+the+Nation+Merit+Badge+Pamphlet.pdf
- Have (print or digital) access to the Declaration of Independence and Constitution during the sessions.
- Some requirements cannot be done at the Conclave (e.g. study and/or visit sites, study a week's worth of National News, study a speech of historic importance, write a letter to a Congress Person or US Senator, etc.) If you do any of this before the Conclave, have your work ready to show and discuss. If you do not have this done, you can present it days, weeks, or months after the Conclave.

Cooking:

- 1. Only open to Scouts who have completed all First Class Cooking requirements.
- 2. Have experience cooking at home.
- 3. Prepare the menu and shopping list for requirement 4a and review with a parent before our session.
- 4. Scouts who complete the home cooking will be able to complete all requirements except 1b, 5, and 6.

CPR: This is not 'CPR Certification'. You will get an email to use for Scouting merit badges, indicating you learned CPR in a Zoom session. Borrow the largest doll you can find, to use as a CPR mannequin.

Drafting:

Technology has moved 'drafting' way beyond the T-square and drawing board and this session quickly follows that trajectory. From scale drawings on paper, you will move on to use free drafting software as you learn the visual language for communication in architecture, and everything mechanical and electrical.

- Download and begin reading the merit badge pamphlet: http://raylin01.com/meritbadge/mbpamphlets/28376421.pdf
- Download and explore the free CAD program: https://www.sketchup.com/plans-and-pricing/sketchup-free
- Order supplies for \$8.99: https://www.amazon.com/Mr-Triangular-Triangles-Architectural-Architect/dp/8072M8JZ8R/ref=sr 1 6?dchild=1&keywords=triangle+ruler&qid=1606801020&sr=8-6

 Note: The 12" triangular architect's ruler in this set features 3 sides with 6 different scales and is used to read the output of CAD and manual systems.
- Have some sheets of ¼" graph paper (4 squares per inch quadrille paper).

Emergency Preparedness:

To complete this badge by the end of the Conclave, plan time to have a family meeting between the two scheduled sessions where you will make an emergency plan, among other things. If you cannot do that during the Conclave, it is not a problem. You can get a 'partial' and finish up with the counselor later.

Entrepreneurship:

Our presenter founded his enterprise in 2005. It is now a diversified holding company that owns and manages businesses nationwide, across a variety of market sectors: consumer, industrial, food, healthcare, law enforcement and commercial real estate. As his business schedule may make it impossible to be with us 'in person' for our Conclave, he has agreed to video his session. While he was present in the *Shomer Shabbat* program at the Forestburg Scout Reservation in 2019, he offered a similar session to Scouts. That evening session received rave reviews from all Scouts and adults in attendance. Thus, while he may not be available to 'sign-off' merit badge cards after this Conclave session, anyone attending (youth and adults!) can expect a spectacular introduction to Entrepreneurship.

Ner Tamid:

Scouts who earn the Jewish religious award earn much more than an impressive medal for their ceremonial uniform, and an honored 'Square Knot' to wear every day. They also get quality time with the rabbi or teacher who their family finds appropriate for them — to build knowledge, and a connection with their Jewish faith, that can last a lifetime.

The goal of this session is to help every Jewish Scout feel comfortable and confident in making that appointment. You can do it, and we'll show you how!

Download the requirements and workbook. Save it, and get ready for some magical fun! https://www.jewishscouting.org/wp-content/uploads/2018/01/Ner-Tamid-Religious-Emblem-Requirements-and-Workbook-Fillable-PDF.pdf

Personal Fitness:

Read the 2020 REVISION of Personal Fitness Merit Badge Requirements: http://www.usscouts.org/mb/changes/mb010-20.asp

- Have a digital or print copy of the merit badge pamphlet (and, preferably, read it!) before the session:
 Download a 2009 version: https://www.troop109nj.com/app/download/5843743/Personal+Fitness+Merit+Badge+Pamphlet.pdf
 Or, better, buy the latest version from https://www.scoutshop.org/mbp-4c-personal-fitness-641577.html
- Be prepared to print about a half dozen sheets that will be sent by your counselor before the session.
- It would be helpful if you had a helper to hold down ankles, double check technique, time exercises, etc.

Personal Management:

Have a printed copy of the merit badge requirements, pen, and extra paper.

See: https://www.troop109nj.com/app/download/5843784/Personal + Management + Merit + Badge + Pamphlet.pdf

- Think about: Of the following six options, what interests you the most?

 Organizational skills, banking, shopping, investments, budgeting your time, psychology of money.
- Prepare a provisional definition of 'management.'
- For Scouts interested in a more 'in-depth' discussion of this subject, or with further questions, an 'optional extra' session is available in Session #6 on Tuesday (6:30–8:00 PM).

Public Speaking:

Have a printed copy of the merit badge requirements, pen, and extra paper.

See: http://usscouts.org/mb/worksheets/Public-Speaking.pdf

It would be best to have a copy of the merit badge pamphlet:

See: https://www.troop109nj.com/app/download/5844043/Public+Speaking+Merit+Badge+Pamphlet.pdf

• Review the requirements and start preparing speeches — begin working on requirements 1 and 2.

Remember:

Many merit badge counselors have set a maximum class size, under the constraints of a Zoom program.
