Who Should Attend?

All Commissioners and other Leaders interested in seeing that our Youth receive a quality program of the Boy Scouts of America. Those looking for guidance; Those who want to get a broader picture of Scouting; Those who are looking for some hints on how to be more effective; Those who enjoy sharing your experience with others; Those who are looking for a way to “get in touch” with other Scouters.

If you fit into any of the above - then - the College of Commissioner Science is for you.

Our goal is simple - to make this the best training experience you've ever had!

Where will the College be held?

The 2022 Eastern New England College of Commissioner Science will be held at the Central Catholic High School, 300 Hampshire Street, Lawrence, MA 01841.

The facility meets ADA requirements for handicapped accessibility.

The program begins promptly at 9:00 AM and ends at 5:30 PM. **Check-in, on-site registration and continental breakfast will be from 8:15 AM until 9:00 AM**

COVID Pandemic Considerations

At the time of publication of this course catalog, The Spirit of Adventure Council COVID protocols include:

- It is the policy of the Council that Face masks will be worn by everyone in attendance during meetings or other indoor events. This applies to every person, youth and adult, vaccinated and unvaccinated, except when eating/drinking. While eating or drinking all persons are advised to maintain a minimum of 3' separation for these activities.
- Frequent handwashing and/or sanitizing should be conducted.
- As much as possible, follow social distancing.
- A sign-in log (with names and phone numbers of all that are attending) should be maintained for every meeting or event, for Contact Tracing purposes.
- COVID-19 vaccines currently approved or authorized by FDA are effective in preventing serious outcomes of COVID-19, including severe disease, hospitalization, and death. A COVID-19 vaccination is currently recommended for everyone five years of age and older in the United States for the prevention of COVID-19.

The Massachusetts Department of Public Health currently advises that all residents, regardless of vaccination status, wear a mask or face covering when indoors (and not in your own home).

The City of Lawrence has a mandate for masks for any indoor place of business, club, place of assembly or location open to the public.

Due to the fluctuating status of the pandemic, protocols in place at the time of the event may change.

What Courses Can I Take?

All courses are open to all registered Scouters, regardless of position. Courses are separated into seven areas of study or tracts: Commissioner Basic Training, Bachelors of Commissioner Science, Masters of Commissioner Science, Doctorate of Commissioner Science, Roundtable Commissioner, Older Scouts Programming, and Continuing Education. (See page 7 for list of courses by area of study). Attendance at these courses can lead to Associates, Bachelor's, Master's, or Doctoral Degree of Commissioner Science, or a postgraduate certificate. Participants may choose up to 6 one-hour sessions and will also receive Master's level credit for attendance at the Keynote address (potential for 7 total credits). The Commissioner Basic Training courses are 3 hours each, so attendees who register for these courses will only be able to receive a maximum of 4 credits (3 sessions plus the Keynote address).

To assist Commissioners with their own recognition, the College has developed the enclosed **Record Cards** starting on page **Error! Bookmark not defined..** This is your way to keep track of your progress. It is your

District Commissioner who will be approving your performance for the various recognition certificates. Also, to have the thesis or project for the Doctor of Commissioner Science be as useful a tool as possible, your Council Commissioner is required to approve your chosen topic.

If you anticipate completing a certificate or degree program at this session, please e-mail your Record Card with all completed courses, the current courses you are registering for, and signatures at the time you register or separately before **March 10**. Candidates for the Doctoral degree or square knot should complete the 3-page record card starting on page **Error! Bookmark not defined.** Please note that the five-year tenor and recruiting requirements only apply to the square knot and not the degree.

How Do I Register?

Registration is a two-step process. First, you need to register to attend the College, select your courses and pay the registration fee. This registration can be accomplished on-line at <https://bit.ly/3qD5Tqk>.
