The [Boston Amateur Radio Club \(BARC\)](#) invites youth and leaders from the Spirit of Adventure Council to learn about amateur ("ham") radio at the 2022 American Radio Relay League (ARRL) Field Day.

Field Day is ham radio's open house.

Every June, more than 40,000 hams throughout North America set up temporary transmitting stations in public places to demonstrate ham radio's science, skill, and service to our communities and our nation. It combines public service, emergency preparedness, community outreach, and technical skills all in a single event.

A visit to BARC's Field Day station qualifies for requirement 7 of the [Radio Merit badge](#), and may provide Scouts with an opportunity to work towards other requirements as well.

If you or members of your pack or troop wish to visit BARC's Field Day station, or if you have questions, please contact Tom Ulrich KC1OCY (thomas.rm.ulrich@gmail.com).
