A SUCCESSFUL SALE
Message to Parents

• No out-of-pocket-expense to enjoy 12 months of Scouting activities
• Do one fundraiser a year; more time to enjoy Scouting
• Scouts ...
  • Earn their own way
  • Learn life lessons and responsibility
• All Scouts will enjoy the Unit’s program
• Consumers are motivated to purchase based on the cause
• We should ask our Scouts and parents to go out and be confident that our communities WANT to support Scouting. They will IF we ask them to.
Unit Popcorn Kickoff

• The single most important thing is... **ENTHUSIASM!** Find ‘that’ person!
• Dress up the room, pop popcorn.
• Have games for Scouts to play the minute they walk in the door.
• Role play a “sale” either at a storefront or at the neighbor’s door.
• Families should walk out excited, informed, and ready to sell.
• Train Both Scouts AND Parents (different messages)

Make account registration part of your kickoff
• Pick a location that has access to Wi-fi and ask parents to bring a tablet or smartphone (have extra laptops available if possible)
• Walk parents through the quick steps of registration, and run through the ways to share the personalized fundraising page
A Successful Sale

TIPS & TRAINING
CREATE AN ENGAGING & ENERGETIC PITCH FOR THE SALE!

• Practice your sales presentation.
• Introduce yourself (first name only) and where you are from.
  "Hi sir, my name is Brian and I am from (local unit)."
• Let people know what you are doing.
  "I'm earning my way to Summer Camp. All of the popcorn is delicious and you'll help fund my many adventures."
• Close the sale.
  "Can I count on your support?"

• Credit card sales are best for the Unit. Tell your customers
  "We prefer credit/debit."

MORE EXAMPLES:
"Hi, My name is Savannah with (local unit). I am helping my Council raise money for camp scholarships as well as earning my own way to summer camp. Can I count on your support?"

"Hi, my name is Alex with (local unit). I am fundraising for my Eagle Project as well as earning my way to summer camp in Switzerland. Can I count on your support?"

Remember, Be polite and always say “Thank You”, even if the customer does not buy.
MORE TIPS & TRAINING
MORE WAYS TO GET THE MOST FROM YOUR SALE!

• Practice your sales presentation.
• Always wear your field uniform.
• Never sell alone or enter anyone’s home.
• Always walk on the sidewalk and/or driveway.
• Have mom and/or dad take the Trail’s End App or order form to work.
• Remember, 2 out of 3 people will buy when asked at their door.

• Set a GOAL!
• Plan out how many sales you will need to reach your sales goal. Determine whom you will ask to help you reach your goal.

Share what you’re doing and how you’re helping others through the program!
Ways to Sell

**ONLINE DIRECT**
Online Direct sales are easier than ever for kids to sell virtually to friends and family and face-to-face with the new functionality to record an Online Direct order in the app. The product ships to the customer, and it's the SAFEST fundraising option for a unit. Families’ setup their Trail's End account by downloading the Trail's End App, and they record sales directly in the app or share the virtual store to customers via email, social media and text message. Customers pay via credit/debit securely, and the products ship directly to them from Trail's End. There’s no work for the kernel, and they can fundraise year-round!

**WAGON SALES**
- **Take Order**
  Each kid collects orders in the app and delivers on hand product or marks product as “undelivered” to be delivered at a later date. This can be taken through neighborhoods, to parents’ coworkers, friends, and family. It is at the unit’s discretion whether money is collected up front or upon delivery, but the Trail’s End App only tracks paid orders.
- **Door to Door with Product**
  Involves the kid bringing product door-to-door to customer residences to ask for support. This method is preferred for neighborhoods close to home. A large percentage of homeowners say that no one has ever come to their door, missing this great opportunity. Product is carried along in a wagon or vehicle, making it a quick and easy process for the customer.

**STOREFRONT SALES**
Involves coordinating booths in high foot traffic locations throughout your community. Begin the reservation process early (we suggest starting in May) to reserve the best locations. It is best practice to have ONE child and ONE parent at each shift to cover more shifts during the course of the sale.
2022 Trail’s End Technology
• The Unit Leader Portal is now mobile friendly where Units can access the portal while at a storefront or on the go.

• Units can manage their entire sale from their phone.
