

14 - 16 OCTOBER / OCTOBRE 2022

October 15, 2022, 10:00 am-4:00 pm

**New England Base Camp,
on the Pavilion
[411 Unquity Road, Milton](#)**

The Blue Hills Observatory Wireless Society (BHO-WS) invites youth and leaders from the Spirit of Adventure Council to learn about amateur (“ham”) radio and talk to other scouts around the world at the 2022 Jamboree On The Air (JOTA).

The world’s largest digital Scout event on the Internet and over the airwaves

Held every October, JOTA-JOTI (Jamboree-on-the-Air-Jamboree-on-the-Internet) connects millions of young people around the world for a full weekend of online activities that promote friendship and global citizenship.

<https://www.jotajoti.info/>

A visit to the BHO-WS JOTA event qualifies for requirement 7 of the [Radio Merit badge](#), and may provide Scouts with an opportunity to work towards other requirements as well.

If you or members of your pack or troop wish to visit the BHO-WS JOTA event, or if you have questions, please contact Tom Ulrich KC1OCY (KC1OCY@arrl.net).
