Prepare with Pedro (Grade: K-2)

[Prepare with Pedro](#) is a 30- to 45-minute preparedness education program for grades K-2 that teaches students how to BE PREPARED and TAKE ACTION for either home fires or a local hazard.

Pedro is a penguin who loves learning about how he can be prepared and take action during an emergency to help stay safe.

He visits friends all over the United States and learns about hazards local to their area like earthquakes, tornadoes, hurricanes, and many others!

Prepare with Pedro is a free youth preparedness program created by the American Red Cross, and partnered with FEMA. This resource is designed to teach young children and their families how to stay safe during disasters and emergencies through fun activities such as crosswords, coloring pages, matching games, and more!
