

Hiking group will **meet in the semi-circle driveway of St. Brigid's church on Mass. Ave. 5 minutes after the reenactment ends.** Please dress with appropriate footwear and clothing for the weather. **Just a reminder that if you arrive at the Lexington Green after 5am your chances of getting a good viewing spot are very LOW!**

The route taken will be that of the Battle Road thru the Minuteman National Park. Depending on the group's hiking pace and thus the arrival time in Concord, the plan is to catch the Concord parade (by 9:15am) in the center and finally the the cannon firing at the **Old North Bridge where the hike ends.** Free parking (recommend pre-position of departure vehicles) at Emerson Playground, 261 Thoreau St. in Concord. Hot chocolate & donuts will be provided in Concord center for all those signed up in advance.

NOTE: Every unit participating must have **2 adults** hiking (or one parent if only one scout attending).
